

Welcome to our home

Our home is currently free from COVID-19. Before you can visit family or friends, you must:

- have had a negative COVID-19 test within the last two weeks, and have not tested positive since
- answer a series of screening questions.

For the protection of our residents and staff, please follow these directions during your visit today:

Clean your hands. When you arrive, clean your hands using hand sanitizer, rubbing thoroughly over all areas of your hands.

Wear a mask. You must bring your own cloth mask or face covering for outdoor visits. We will show you how to put it on, if needed. You must continue to wear your mask at all times during the visit.

Stay in designated areas. To beat COVID-19 we need to follow public health advice. Please help our staff by keeping to designated visiting areas. At no time will you be permitted to enter the residence, including to use washroom facilities.

Maintain physical distance. We know, this one's hard. But for everyone's safety, avoid physical contact during your visit. It is a requirement to stay two metres (six feet) apart at all times!

Clean your hands (again). Before you leave, clean your hands thoroughly using hand sanitizer. If you're wearing a home-provided surgical mask please dispose of it in the receptacle provided.

Note: If at any time a guest fails to follow these rules, we will be forced to discontinue the visit.

Welcome to our home

Our home is currently free from COVID-19

For the safety of residents and staff, only outdoor visits are allowed at this time in the designated outdoor visiting area.

If you have a gift for a resident, please ask a member of our staff where to leave it, so that it can be sanitized for everyone's safety.

Our staff may have additional requests. Your cooperation will help them keep everyone safe. While we know how much your visit means to our residents, our priority will continue to be keeping our home outbreak-free for the safety of our residents and staff.

We thank you for your cooperation in scheduling your visit to ensure all residents have a chance to receive visitors.
