

April 6, 2021

Hello Everyone,

I am sorry to be sending yet another correspondence with the subject of a grey zone/lockdown update.

As the COVID-19 risk continues to spread, Premier Doug Ford has announced a province-wide “emergency break” beginning on April 3, 2021. I am writing to confirm that unfortunately this means that activities and supports offered **on-site** at a KWH location will continue to be restricted to 5 and under (including staff) for at least 4 weeks. All virtual classes will continue as planned.

Additionally, I regret to inform you that we must vacate “The Studio” our space at 109 Ottawa St. S. by the end of April. We are currently making plans that will take into consideration the ideas generated during the recent co-design process lead by People Minded Business. Interim supports will be better defined by the end of the lockdown and we will continue to keep in contact and share information as it evolves.

I do want to end on a good note! We have run 3 successful COVID-19 vaccination clinics at KWH thus far and are adding 2 more clinics this coming weekend, Saturday April 10 and Sunday April 11th. Please visit our website or reach out to your contact if you have not already received your first dose and would like to sign up for your vaccine.

Sincerely,

Tracy Franks,
Director of Community & Employment Supports.
